

Family Garden Program

The Dodge Nature Center Family Garden Program is an opportunity for community members to learn and implement organic gardening techniques. The Dodge Nature Center Farm will provide the 15' x 15' plots, use of tools, soil amendments, and pest control methods. The garden will be open to gardeners at their convenience throughout the gardening season.

Gardener's Orientation Session

Thursday, April 22, 2010 at 6 p.m. in the Farm Education Building.

Learn Organic Gardening Practices

Tuesday, April 27 and Thursday, April 29, 2010, at 6 p.m. in the Farm Education Building.

There is a limit on plots per family. Registration will close when plots are full.

If you do not attend or contact Don by May 31, your plot will be forfeited and no refund will be given.

If you have any questions, please contact Don at 651-455-4531.
